Hi Bob,

I wanted to send my own thank you to you and Chris for everything you did for our move-in on Saturday. I know you guys were here until very early in the morning of Saturday and I couldn't believe all of the details that you completed for us when I walked in! Everything is very much appreciated and it has been very relaxing and enjoyable working with you and Chris (and Lloyd, Mark, Esteban, everyone else that makes this project happen!).

Thanks Bob,  
Beth
